Dear Ambassador Luken:

We are pleased to report that the book, "How to Establish a Democracy or Improve the One You Now Have: A Practical Guide for Developing Essential Government and Business Structures and Personal Systems of Values," has been printed. Members of the Board of the College of Democracy appreciate very much the assistance you and your staff provided in obtaining a statement from President Boris Yeltsin for it. President Yeltsin's statement appears in the front of the book along with those of Presidents Ronald Reagan, Jimmy Carter, Vaclav Havel and Lech Walesa.

We would like very much to present a copy of the book to you at a time when it is convenient for you. Therefore, we request a short appointment during the next few weeks, if that is possible.

Sincerely yours,

  
Walter E. Book, PhD
